

Ruby's Signalong Adventures

Happy Birthday

We would like to introduce you to Ruby. This resource has been produced by the Signalong team and we hope you enjoy following Ruby's adventures as much as we do.

Descriptions which are provided free of charge still remain the copyright of The Signalong Group and must reference handshape, orientation, placement and movement. Where these signs are distributed out of the parameters of which they were supplied, Signalong must be acknowledged.

It's my

birthday.

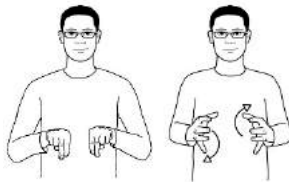

I am 3 years old.

I have lots of **presents.**

I have a **ball.**

I have a **dog bone.**

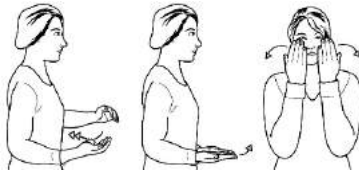

I have a **teddy bear**.

I have a **birthday cake** too.

I like **cake**, do **you**?

I had a **happy birthday.**

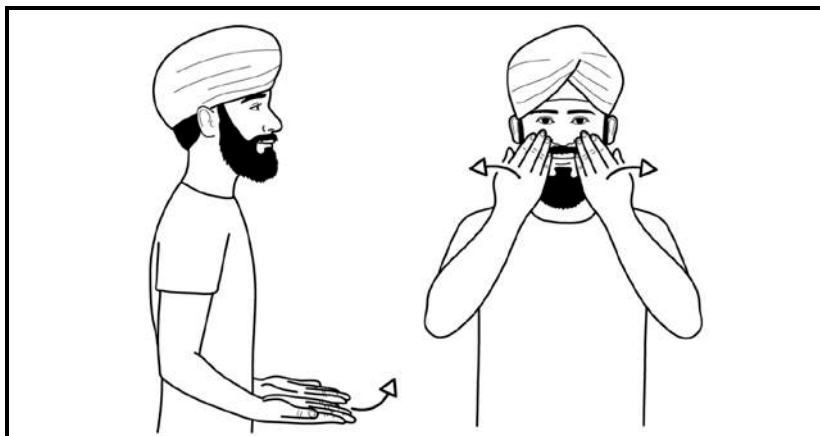

MY

Diagrams, text and descriptions ©SIGNALONG

Working open hand closes into fist while moving back to contact chest.

BIRTHDAY

Diagrams, text and descriptions ©SIGNALONG

Flat hands (palms up, pointing forward) just below waist make small movement forwards/up; then flat hands (palms back, pointing in/up), in front of face, move out in small arc.

I

Working index hand points to chest.

Diagrams, text and descriptions ©SIGNALONG

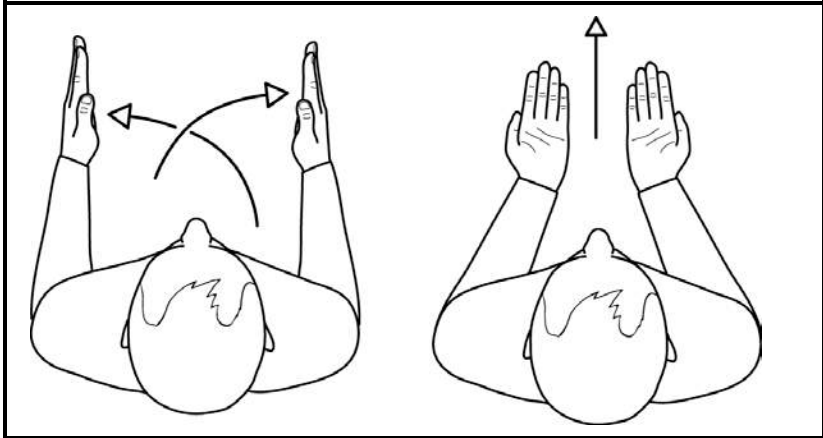

THREE

Working hand with index, middle and third fingers extended (palm back, pointing up) held in front of body.

Diagrams, text and descriptions ©SIGNALONG

PRESENTS

Flat hands (palms back, pointing in) working hand in front, move to palms in, pointing forward, showing shape and size of box; then flat hands move around "box" to palms up, pointing forward, and move forwards as though giving.

Diagrams, text and descriptions ©SIGNALONG

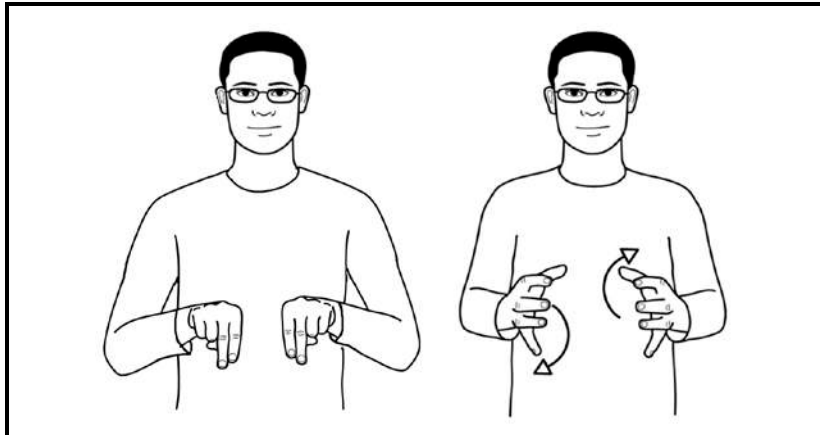

BALL

Diagrams, text and descriptions ©SIGNALONG

Flat hands (palms down, pointing forward) move round to show shape of ball, finishing palms up.

DOG BONE

Diagrams, text and descriptions ©SIGNALONG

Bent "N" hands (palms down, pointing forward) are held in front of body; then loosely clawed hands (palms in pointing forward) each make a half-turn in opposite directions.

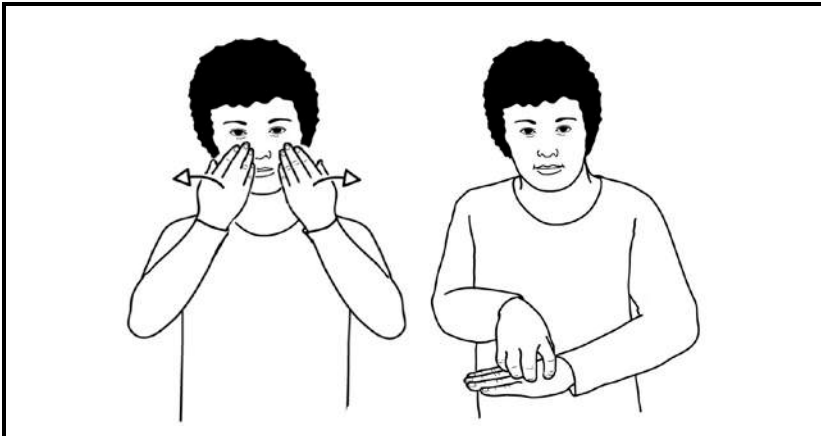

TEDDY BEAR

Diagrams, text and descriptions ©SIGNALONG

Crossed arms, working arm in front, hands at opposite shoulders, mime cuddling soft toy.

BIRTHDAY CAKE

Diagrams, text and descriptions ©SIGNALONG

Flat hands (palms back, pointing in/up), in front of face, move out in small arc; then working clawed hand (palm down, pointing forward) rests on the back of supporting flat hand (palm down, pointing in).

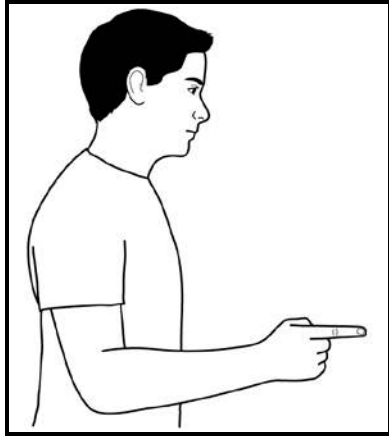

CAKE

Working clawed hand (palm down, pointing forward) rests on the back of supporting flat hand (palm down, pointing in).

Diagrams, text and descriptions ©SIGNALONG

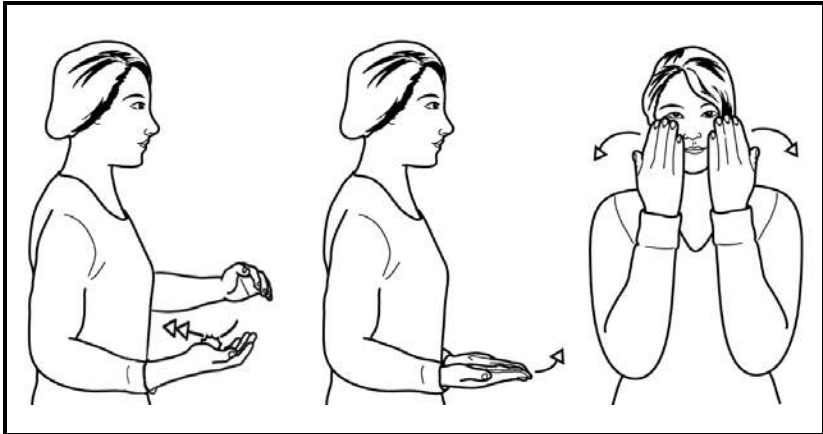

YOU

Working index hand (palm in, pointing forward) indicates person.
Directional sign.

Diagrams, text and descriptions ©SIGNALONG

HAPPY BIRTHDAY

Working cupped hand strikes twice across supporting palm moving towards heel of hand; then flat hands (palms up, pointing forward) just below waist make small movement forwards/up; then flat hands (palms back, pointing in/up), in front of face, move out in small arc.
