

Wild Animals - Matching Pairs

- 1) Download & print out the PDF.
- 2) Cut out the pictures into individual squares.
- 3) **To play the game:**
 - Randomly place the squares, picture side down, on a flat surface.
 - Decide who is going to play first, then take turns in a clockwise order.
 - Player 1, picks up any two of the squares with the aim of finding two that match.
 - If the squares match the player keeps the squares and picks up another two.
 - If the squares DO NOT match, player 2 takes a turn.
 - The winner is the player that collects the most squares.
