

What's the weather?

Direction: Match the weather to the words and description

- sunny

Open hands (palms down, pointing forward) move down from head height with fingers fluttering.

- cloudy

Working open hand (palm back, pointing up) in front and to the side of face, bends at wrist to palm down, pointing back several times. Use two hands for emphasis.

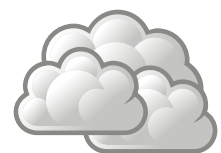

- stormy

Flat hands (palms in, pointing up); formation moves from side to side several times.

- snowy

Flat hands (palms in, pointing up); formation moves from side to side several times.

- rainy

Working index hand (palm down, pointing forward) makes large outward circle by side of head.

- windy

Clawed hands (palms forward, pointing up) make alternate outward circles at head height.
